

# Video Tutorials - Creation Kit

---

 [creationkit.com/index.php](http://creationkit.com/index.php)

## Overview

This page is the place to look for official video tutorials from Bethesda and unofficial tutorials from the Creation Kit modding community. Any tutorials involving the use of third-party software, alone or in addition to the Creation Kit, will be indicated as (Advanced). Use of third-party software is at your own risk, and Bethesda Game Studios is not responsible for any damages which may result.
